The First man who have accepted CONCPET OF COW BANK AND ADOPT A ELDERLY /VILLAGE

Donor visiting TEV

On hearing the concept of Adopt an Elders /Village and Cow bank concept Mr.G.P.Kaliyaperumal from Singapore Volunteer come forward and support this concept. In the beginning he also did come forward to donate fund to TEV on for the maintenance of TEV and dress and materials for the residents of TEV. While he asking us through phone he was very impressed the concept and need to spend three days with out residents and to find out the requirement of the elders and did the same. , He said that “I could not spent munch time with my mother and I could not do much for her. By satisfying my mother I wanted to do these residents. Any thing they required. When he come her the entire residents came and invited him and honored him. He was very much happy on the first day and immediately gave two cows for them to grow “Cow Bank in his mother Name”

He said that he will spent time with these elders in all the Pongal festivals in which he assured them to provide all the expenses of the festival and dress for the elders.
